- 2 MESSAGE
 Message from the Chairman of Multimedia Development Corporation

FEATURES

- 4 Tracking the MSC progress
 Targets for Phase One of the MSC have been met, and now MDC looks confidently towards Phase Two as the nation heads towards Vision 2020

- 10 e-Government
 Improving the efficiency of government administration and delivering of quality services to citizens and businesses: an exclusive interview with Tan Sri Samsudin Osman, the Chief Secretary to the Government

- 15 Cyberlaws
 Malaysia has already several Cyberlaws in place and more are in the offing to protect intellectual property and combat cyber crime in the borderless ICT world

- 18 Shared Services
 There are many opportunities in shared services and the MDC is leveraging on the successes of Phase One to make the country better export oriented and globally competitive

- 23 Technopreneur Development
 The Technopreneur Development Flagship recognises the need for technopreneur development outside the MSC and it is talking to the State Governments and others as well

- 27 Research and Development
 The importance of R&D can never be more emphasised, and MDC unveils its STAR Programme to take Malaysian technology to the next plane

- 30 Creative Multimedia
 The world needs multimedia content and the MSC and MSC-status companies are working together to meet this demand

- 44 Community life in Cyberjaya
 All work and no play makes Jack a dull boy. The MDC helps by organising community programmes and offers Cyberjaya residents comfortable housing and other amenities

- 48 Appreciation
 The men behind the scene acknowledge the help and effort of all those who have contributed to the progress of the MSC
