

Trends in Artificial Intelligence / Knowledge Management

Dr Tang Enya Kong
Dean of Research (IT), MMU

Presentation Outline

- ➔ 1. Trends in AI/KM (one slide)
2. How to collaborate with MMU
- Identify the right Research Center/Group under IT Cluster
 - Identify the right Researchers
3. Example Top Down Research projects
- *Creative media content production and processing*
 - *Smart home & office, Robotics & automation*

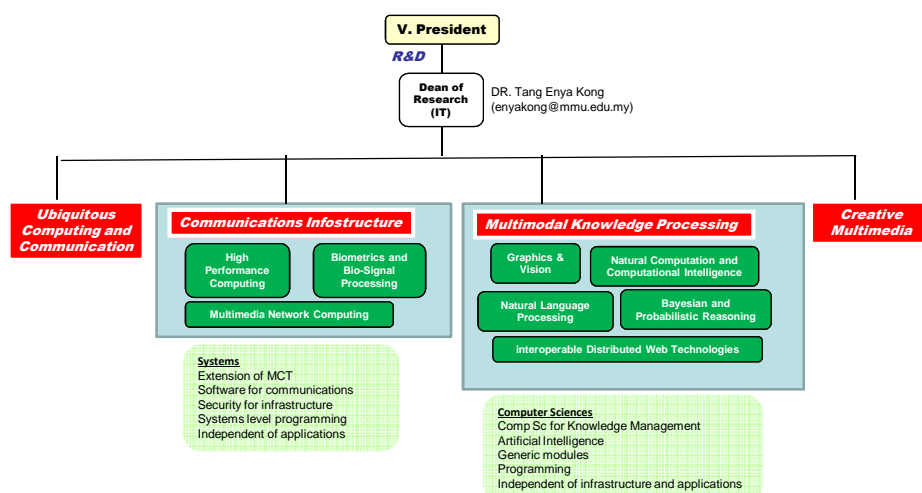

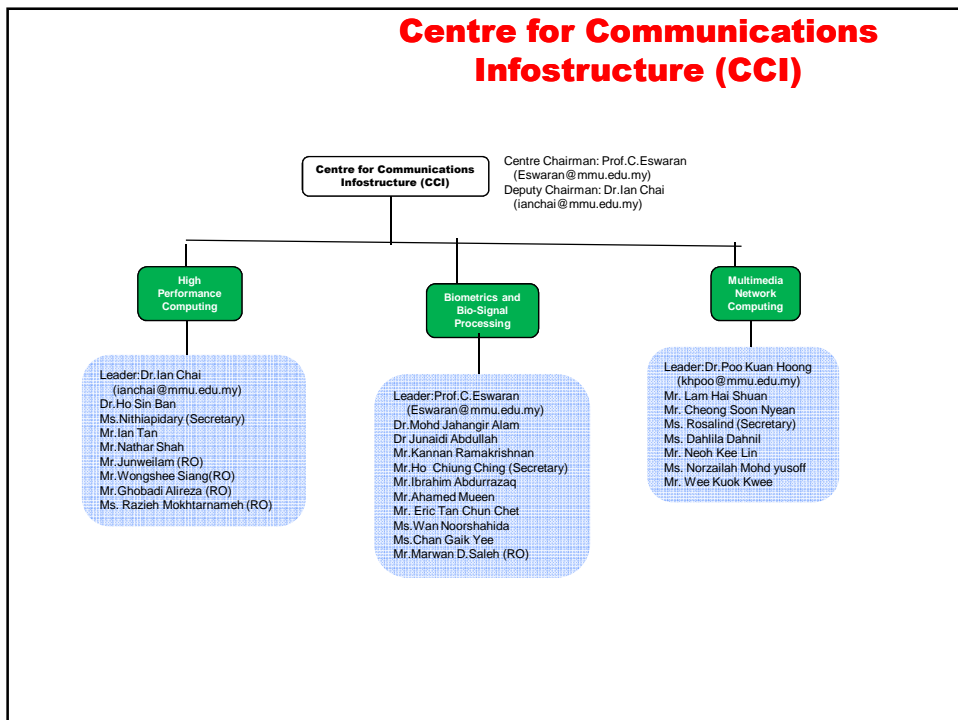

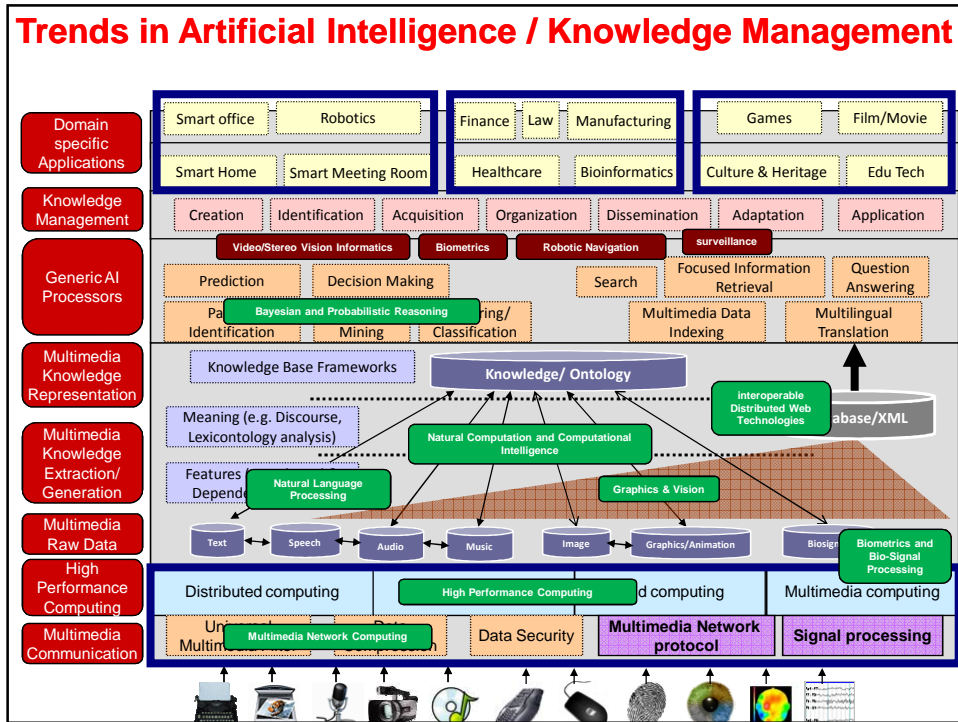

Trends in Artificial Intelligence / Knowledge Management
Dr Tang Enya Kong
 Dean of Research (IT), MMU

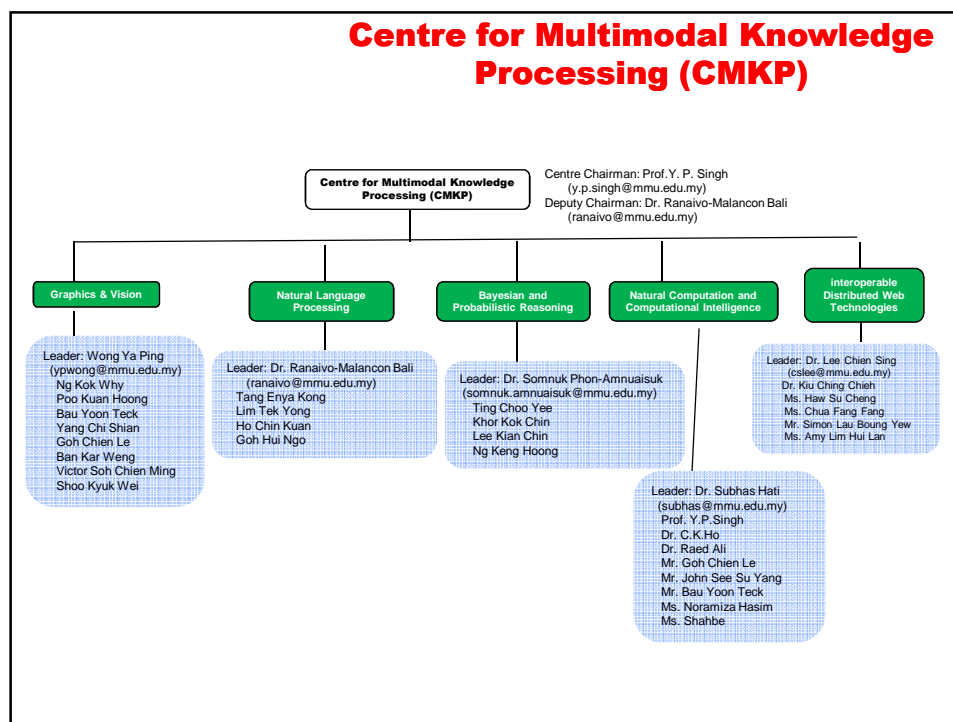

Presentation Outline

1. Trends in AI/KM (one slide)
- ➔ 2. How to collaborate with MMU
 - Identify the right Research Center/Group under IT Cluster
 - Identify the right Researchers
3. Example Top Down Research projects
 - *Creative media content production and processing*
 - *Smart home & office, Robotics & automation*

IT Cluster RC/SIG Structure

Trends in Artificial Intelligence / Knowledge Management

Dr Tang Enya Kong
Dean of Research (IT), MMU

Presentation Outline

1. Trends in AI/KM (one slide)
2. How to collaborate with MMU
 - Identify the right Research Center/Group under IT Cluster
 - Identify the right Researchers
- ➔ 3. Example Top Down Research projects
 - Creative media content production and processing
 - Smart home & office, Robotics & automation
